VOL. XXXVI

SONOMA, SONOMA COUNTY, CAL., MARCH 20, 1915

NO. 36

SHELLVILLE

Mr. F. A. Schell of the Schellville hatchery is the busiest man in this section of the county. Mr. Schell needs no introduction to the people of the valley as he has lived here all his life and is known by the people to be a square man and is numbered among the most highly esteemed. The process of incubation is carried on by the most up-to-date methods and none but hardy chicks are shipped. At present 49 incubators are running with 23,000 eggs hatching. He has met with success in the many thousands of chicks which he has shipped since January last, so business is good at the Schellville hatchery.

Mr. E. Randolph left Friday eve for a brief trip to the "Jewel City."

Mrs. F. McGill has been visiting friends in Oakland and San Francisco this week.

Mr. A. Moebs of City Brilliant arrived here Thursday last to spend a few days at his country home.

Mrs. F. Bolina is home again, having been confined in the French hospital for some weeks past. Her health is much improved.

Joe Meyer left the Broadway sanatorium Monday and is now in care of friends here.

Howard Knight is pruning and otherwise improving his orchard.

Mrs. J. Kehoe and family of Sonoma spent Sunday at the home of the lady's sister, Mrs. M. Mille-rick.

Julius Neuman and family of Sonoma called at the home of Fred Schell Sunday last.

Mrs. A. Drees of Petaluma, accompanied by relatives, motored over here Thursday and called on friends.

Valeria Helberg is home for an indefinite stay.

HAPPY JACK.

Subscribe NOW for the Index-Tribune, Sonoma's leading paper.

VINEBURG

Messrs. Frank Nolan, manager of the Nolan Draving and Warehouse Co., and F. C. Dudley, both prominent business men of the Metropolis, were guests at the New Vineburg Inn on Sunday last.

Mrs. Arthur Batto and children were the guests of Mrs. D. Colli at "Bird Nest Cottage" on Sunday afternoon.

Mrs. Enrico Forni and her four charming young daughters, Misses Helen, Florence, Dolores and Lola and Myrtle Hardy were the guests of Mrs. Albert Groskopf at "Whispering Pines" on Sunday last. They all say a pleasant time—that is right.

Fred Lowell, orchardist, and Eddie Johansen, Deputy Assessor were passengers on the south bound train on last Saturday afternoon.

Among the many Vineburg people to attend the Grand ball on Wednesday evening March 17 were Mr. Arthur Batto, Mesdames Fred Batto and Arthur Batto, Misses Adele, Audueux, Louise and Emily Batto.

Minnie Madden was present at the tug of war contest on Wednesday evening at Union Hall.

H. R. Porter late of Montana has purchased the property of Geo. Hansen in North Vineburg. Mr. Hansen, after a short visit to relatives in Contra Costa County will return to his home in Nebraska.

Philip Bill Jr., foreman of the Hoyde Ranch, has just finished setting out 4,500 fruit trees of varieties and now has about 15 men engaged in pruning the Hyde Vineyards.

Mrs. S. C. Kinney of the Hyde Ranch is visiting friends in the metropolis this week.

James L. Modini was visiting in this vicinity lately boosting up the coming game of Ball to be played on Sunday next at Boyes Springs between the young Seals and the Sonoma nine. Sonoma's popular base ball manager is "Strictly Business" and has the honor of being the "Only One" that was left over night of the Sonoma Delegation in the "Jewel City" on Sonoma day. EASY JIM.

News Gathered From Near and Far---Local Brevities---Personal Mention

Brevities

Tonight and tomorrow night Fetter's Springs will celebrate the opening of the summer season with a dance both evenings in their new dance hall. As usual, Mr. Geo. Fetter invites the public to attend. He announces in his circulars that the affair will be free. There will also be an entertainment preceding the dance. A large crowd is expected. The guests now registered at Fetter's Springs and those of the valley, who will be present will probably pack the pavilion. The announcement is also made that the Fetter's Springs swimming tank and hot sulphur tub baths are now open daily.

Tomorrow afternoon the Sonoma baseball club will play its first game of the season. Their opponents will be the Boyes Springs team and the game will be played at Boyes. This game, however, is only termed a practice game, in order to give the captain and manager a chance to "look over" the boys wearing the name of Sonoma.

Work on the new Bullatti building is now started. The old building, which was formerly occupied by the N. & M. Hardware Co., has been torn down and at present several men are excavating and making ready for the foundation. Mr. Bullatti has specifications fitting his plans that call for a Class A building, which will be a credit to Sonoma. The ground floor of the new building will be occupied by the Sonoma Valley Furniture Co. Drs. W. B. Hays and A. M. Thomson are to have offices in the new building.

The Sonoma Grammar School Building has made some rapid strides toward completion since the weather has permitted the contractor to proceed. A large force of brick layers, carpenters and helpers are employed and stationed on the various classes of work and all seem to be working in unison. With the same progress shown the ceiling of the second story will be in place on or before, as we are advised, the 20th of this month. Material is on hand or in transit and will be for this entire enclosure by end of the present month. Every detail has been taken care of and when completed Sonoma will have a Grammar School in size convenience and in a class of construction second to none of any town in the State any one that we might well be proud of.

While the men employed on this work are strangers to us we have yet to find an answer to any question that did not explain the finished parts. Each mechanic has his part to do, all being directed by the foreman and the Builder who is at all times on the work.

Mr. George W. Reed, agent for Northwestern Pacific Railroad, is now the proud owner of a Dodge car. The sale was consummated through the local agents for the Dodge Brothers motor car, Leiser & McDevitt. This is the first car of the Dodge Brothers manufacture that has been received by the local agency. Messrs. Leiser & McDevitt received the machine on March 8th and it was only a few days when this wonderful car created a great deal of favorable comment from many local experts. Mr. Reed was convinced in a very few days of the many fine qualities of the "Dodge," consequently purchased the car.

Assault With Intent to Rob.

Early this week, an assault was made on August Weber, who has been living on the Baron Tract for some time. About 7 o'clock in the evening a man who gives the name of Robert Zumfeld and who claims he has lived in this vicinity for over a year, approached Weber's house. After gaining entrance Zumfeld hit Weber over the head with a blunt instrument and felled him. The cries of Weber for help were answered by Al Entleman and his wife. Entleman was unable to give chase to the would-be burglar, as Al has been ill for some time. Nevertheless, he succeeded in driving away the assailant, after which he drove to the home of Deputy Sheriff Jack Murray.

After a three hours search of the country and side roads, Murray succeeded in the capture of Zumfeld.

The trouble maker spent one night in Sonoma's Free Lodgings after being safely delivered over to Jack Smith in Santa Rosa.

As yet the day of trial for Zumfeld has not been set but there is no doubt but what the prisoner will be returned to Sonoma this week to learn his fate.

Robert Zumfeld has occupied some of his spare time in the county jail previously, during his time spent in this valley.

At present, August Weber is none the worse for his unfortunate experience.

W. H. Hamilton and family, who have been residents of Vineburg for a number of years, have removed to the suburbs of Sonoma.

Personal Mention

Mrs. Geo. Cassidy entertained the "Club of 12" last Wednesday at her home in lower Vineburg.

Mr. and Mrs. Grover Rubke entertained a few of their friends last Wednesday. The evening was spent by playing cards, after which dainty refreshments were served.

Messrs. Harry and Wm. Dunn and Mr. Pete Bosch walked up to the Blue Mountains last Sunday. They brought back with them a piece of an old silk flag which has been there for years.

H. W. Lehigh after transacting business at the New Vineburg Inn returned to the Bay City on Tuesday.

Recital By Miss Alta L. Rice's Pupils.

An interesting recital was given last Saturday afternoon by the piano pupils of Miss Alta L. Rice, the occasion being the opening of a studio in the old library building opposite the Methodist church. A special feature was "Study of the life of Ludwig Von Beethoven," each pupil being presented with a picture of this master musician. Light refreshments were served by the pupils to the little guests. The program was rendered by the following pupils and was a credit to all who participated: Beth Lane, Minnie Harrison, Cecil Hunter, Sylvia Picetti, Flora Trautvetter, Emily Batto, Portia Harrison, Nancy Griffith, Helen Forni, Norma Janson, Emma Trautvetter.

For hiccoughs wet the lobe of the ear with a volatile fluid such as ether or benzine and induce sneezing by giving a pinch of snuff or tickle the interior of the nose with a feather.

Tumblers that have contained milk should never be washed in hot water as it clouds the glass permanently.

Advertise your wants.

Supposed Burglar Arrested.

Last week, Sheriff J. K. Smith arrested a man in Santa Rosa, who gives the name of Carl Swenson. The sheriff believes that he has the man who has been responsible for many burglaries in this county, including the looting at Fetter's Springs station and the bottling works at Aqua Caliente. Swenson answers the description of the man who has terrorized the people of the county by his boldness.

When taken into custody he had several pocket knives in his possession that were probably stolen from the Potter Hardware Co. of Santa Rosa.

Deputy Sheriff Jack Murray will probably be called upon to bring Swenson here for trial for the burglaries committed in this vicinity.

Death of Ludwig Steiger.

Ludwig Steiger was called to his eternal reward Wednesday, Mar. 10th, in San Francisco, after a long illness. He was born at Agua Caliente 36 years ago and grew to manhood here, gaining the respect of all to whom he came in contact with. On Thursday eve, in San Francisco, the officers and members of Wyandotte Tribe, Improved Order of Redmen, of which deceased was a member, assembled at the chapel of Julius S. Godden to attend services.

The remains arrived in Sonoma on the morning of March 12th, followed to their last resting place in Mountain cemetery by a large number of relatives and friends. Rev. Father Comerford officiated. The floral offerings were profuse and beautiful. The deceased leaves a father, six brothers and five sisters to mourn his taking away. May his soul rest in peace.

Having been obliged to resign my position as agent of the Sonoma branch of the Union Oil Co. of California, I take this opportunity of announcing J. Batto & Sons as my successors and bespeak for them the same generous patronage I have had during the eight years I have been handling Union oil in Sonoma Valley. C. S. CURTIS.

Sonoma, California, MARCH 20, 1915.

Spray for Coddling Moth

The State Commissioner of Horticulture, Dr. Cook, after judging the Sebastopol Apple Show in 1914, made the assertion that Sonoma County was evidently not much bothered by the apple worm. This opinion was based on the fact that only one live worm was found in all the apples judged. The County Horticultural Commissioner answered him by showing a cluster of apples from an unsprayed tree that averaged more than two worms to each apple.

The careful attention the growers have been giving their orchards for the past few years has materially lessened the aggregate number of worms; for year by year they are being decreased and if the good work is continued, the time will come when a wormy apple will be a rare thing in this County.

But to accomplish this desired end we must have a universal spray campaign, in every section, by the growers, and now is the time to prepare for the first application.

This first, or Calyx spray is by far the most important and must be carefully and thoroughly applied. We advise spraying while the last one third of the bloom is still on the tree, for if you wait until all the blossoms fall the first buds to open out will have their calyx closed and it is these first blossoms that usually make our best apples. The first half of the bloom is always the best, so do not delay but spray before the petals have fallen.

What to use: We do not recommend any special brand of arsenate of lead, either dry or paste. They are all good and will do the work if carefully applied. If mildew is present use some form of sulphur paste with arsenate of lead. Iron sulphide, milled sulphur, or atomic sulphur will all give good results because we have used them and have demonstrated their worth. We believe that it is too late to accomplish very much with the curl leaf aphid at this time, but if you wish, some form of contact insecticide may be added, such as quassia or nicotine. Do not add soaps and oils.

The addition of flour paste will be a great help in spreading and sticking the lead and sulphur.

For successful spraying a few things are necessary. A complete outfit giving a good pressure, and for the best results at least 200 pounds working pressure, should be maintained.

The spray must be driven into the calyx, and to accomplish this an angle drive nozzle is by far the best. We recommend a solid round spray and not a hollow circle or a flat spray.

Good agitation is necessary as these ingredients settle unless constantly stirred.

Do not use left over or old arsenate of lead without having it tested. Do not spray early in the morning when the dew is on the leaves. Weigh your spray, do not guess at the amount. If your outfit has not been used this spring go over it at once and see that it is in working order, do not wait until the day you are to commence spraying.

We cannot say just when this spray will have to be applied, but would conclude from the appearance of the trees at this writing that it will be between the 1st and 15th of April for the early blooming varieties. This will of course vary according to your section. The district around Sonoma coming first.

FORMULAS.

Combination for Mildew, scab coddling moth aphid, Brown mite and red spider.

Flour paste 8 pounds
Arsenate of lead (paste) 6 "
Sulphur paste 8 "
Black leaf 40 (by measure) 6 ounces
Water to make 100 gallons

Any one of these or all with the exception of the arsenate of lead may be omitted. However, we believe if lead only is used the flour should be added.

Flour paste home made formula. Buy the cheapest grade of flour obtainable.

Carefully sift 4 pounds of wheat flour and thoroughly mix with cold water avoiding all lumps. Boil for at least ten minutes or until clear, preferably in a double boiler. Then add one pound of ivory soap dissolved in boiling water. This is then diluted and placed in the spray tank being careful to strain it so as to avoid all small lumps that will clog the nozzle. This is sufficient for 100 gallons of spray. A smoother paste is made by adding 1 ounce of Nitric Acid to the cold water with which you mix the flour. The Nitric Acid also helps to prevent sticking and will cook quicker but in both cases the flour must be stirred constantly while cooking. 4 pound of glue dissolved in hot water may be added in place of soap.

Sonoma Gardens Very Pretty.

With the arrival of spring it is a pleasure to see so many Sonoma residents taking an interest in the beautifying of their yards, by the planting of flowers.

In order to secure the best results it is advisable to use only the best seeds, as well as good tools. E. Clewe has a splendid assortment of garden tools, together with a most complete stock of C. C. Morse's flower and vegetable seeds.

At the Don.

Tonight is the last night of the wonderful masterpiece of Victor Hugo, Les Miserables. This picture is one of the latest ever produced and Collins and Mohr have spared nothing in expense to secure this picture for their patrons. The play is produced in 9 reels.

Her Last Rest.

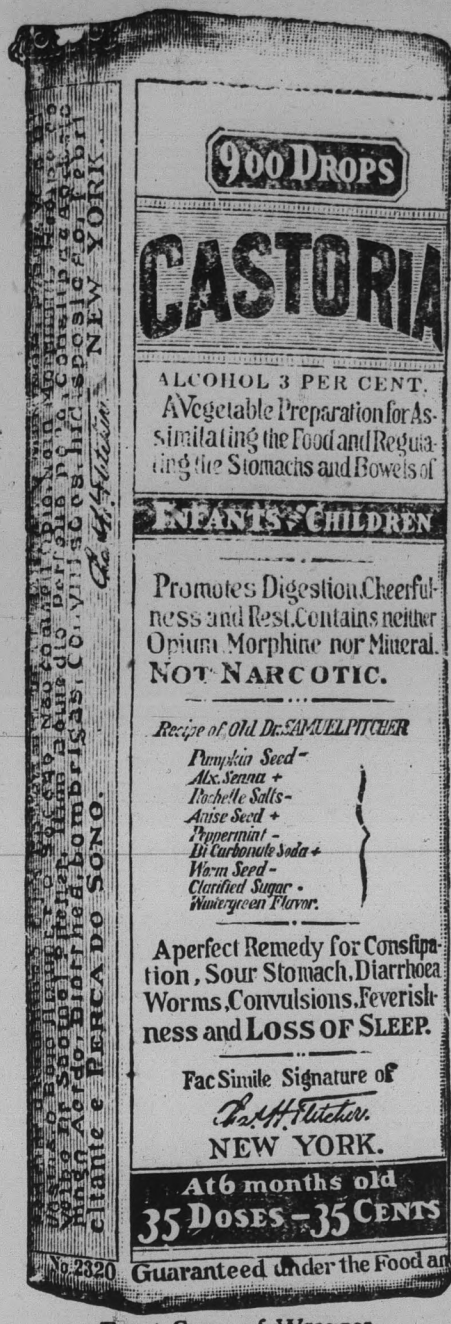

Mrs. Mary Kiser passed into the land of the Eternal, Wednesday evening at 6 o'clock, at her late residence, on Petaluma road.

Mrs. Kiser came to this country 27 years ago, from Alpuach, Switzerland, where she was born. About 16 years ago Mr. and Mrs. Kiser settled in Sonoma, having purchased the ranch that is now occupied by the mourning husband.

The cause of Mrs. Kiser's death was a stroke of paralysis brought on about a month ago from a chronic heart trouble.

Mrs. Kiser leaves a husband, 5 children, namely: Agnes, Conrad, Michael, Mary, Peter and a host of friends to mourn her loss.

George McGill and Chas. Grosskopf were elected delegates to the Grand Parlor, N. S. G. W., which convenes in San Francisco on April 17th.

DUHRING'S

SAL'S PICK-UPS

Here and There in El Verano.

[SPECIAL BY LEASED WIRE, THE SHORTEST IN THE WORLD.]

There are several cases of poison oak in El Verano. The way to avoid the affliction is to steer clear of the pesky plant.

The trout law opens April 1st and promises to be a good season for the line and water game. The Sonoma, Fowler and Hooker creeks and the head waters of the Caliente will afford good fishing for the angler. A fishing license is now required, \$1 for citizens and \$25 for those not naturalized.

They did not shake hands. Chauncey led with his right and Rastus broke ground. Chauncey followed his man, swinging right and left, both without effect. Suddenly Rastus swung his right to the left optic and followed by a left cross to the same place. Chauncey dropped in a heap while the fatal 10 seconds were tolled off and Chauncey, failing to rise, the decision was given to Rastus. Can you locate Chauncey?

Louis Parente was looking over his property in El Verano Monday.

It is said that the A. O. O. K. (Ancient Order of Knockers) have a knock for a password. One would imagine that there would be quite a few knocked down around.

As the summer season approaches the local Beau Brommels and bon vivants are making preparations for the summer enjoyments and no doubt they will all be ready to enjoy the les dantsant and other frolics during the coming season.

Thos. Lyons, the well-known commercial traveler from Buckingham & Hecht Boot and Shoe Co., S. F., transacted business in El Verano one day last week.

An ancient German coin of minor value was found in El Verano a few days ago. It was dated 1701 and was slightly damaged on one side. Otherwise it was in good condition.

Katchemtrouteiki Outemseasonki went to the brook for pleasure with the rod and hook. The fish were generous and took the bait. Katche smiled and puffed his pill. He thought of the sunny shores of his home across the deep and his fair niponense. The number of fish increased with each pull. A strange man came on the scene. He invited Katche to accompany him in his lonesomeness. He had a strange paper and a sign. Katche now understood his plight. It was the law man, who takes care of the game. Katchemtrouteiki Outemseasonki now waits for the law to act.

The people's choice for Sheriff, Joseph F. Ryan, was defeated in the recount by a small margin. If the pencil marks were counted, which signify a persons intention, he would have been elected by a safe majority.

The brave little Island in the Western ocean was surely well remembered on St. Patrick's day in this section of the valley. Sprigs of shamrock and green neckties were, of course, in evidence and many of the handsome members of our fair sex looked gay and patriotic in their green wearing apparel. A magnificent flag of green with its golden harp, proudly rode the breeze, all day long, in front of Postmaster Mullen's home and was much admired by all--Esto perpetuo. May their numbers increase and success crown their efforts for independence as our Irish citizens have always proved themselves to be the Most Solid Pillars of our Republic.

SAL SALARATUS

Old Tires Made New.

Remember the price you paid for those tires which are now tread-worn and useless? Don't throw them away. Send them to the Oakland Tire Co., 2413 Bartlett st., Oakland, who pay express charges and who will rebuild them and make them better than ever at approximately half the original cost. By their method of reinforcing and replacing the worn tread with leather and rivets which will wear from 5 to 10,000 miles. The tire will be returned to you guaranteed puncture proof, retreaded, reinforced and relined, having three times the original strength to withstand the rough roads.

Black Point Cut-off Subscribers

Sonoma Valley Ice Co.	10.00
John Bato & Sons	10.00

And the committee is still at work.

Baseball Club Holds Second Ball

St. Patrick's Day was celebrated in Sonoma during the day by "the wearing of the green," and the evening was celebrated in Union Hall, by a dance, given under the auspices of the Sonoma Baseball Club.

At 9:30 sharp, as prearranged, the much-talked-of tug of war was contested by teams represented by Native Sons and the Young Men's Institute. It took exactly fifteen minutes for the Y. M. I. to pull the Natives the required distance—three cleats. "Fritz" Keiser was much in evidence and proved himself worthy as an announcer, introducing the Y. M. I. as the "Pride of Sonoma" and the Native Sons as the "Bears of California." The teams lined up as follows: Y. M. I.—C. Groskopf, E. Steiger, N. Dowdall, Wm. Kearney, Tony Leveroni, John Gross and A. Chelini. The N. S. G. W. team—W. Helberg, A. Groskopf, F. Groskopf, G. Perazzo, E. Cornelius, F. Fouts and J. Maffei.

At the conclusion of the tug of war, the floor committee hastened to make ready for the dance. It was only a few moments when the orchestra set all present in a whirl, that lasted until the wee sma' hours of morning.

The success of the affair was quite in evidence by the large attendance. There were visitors from all corners of the valley, and a party from Sebastopol was also present.

Jas. L. Modini, manager, and Ralph Evans, captain of the Sonoma Baseball club, wish to thank, through the columns of the Index-Tribune, the Native Sons and Young Men's Institute for their aid, also the public in general for their loyal support.

Benefit Dance at Glen Ellen

Chauvet Hall at Glen Ellen will be lighted in splendor, Saturday evening, April 10th. The occasion is a benefit dance given under the auspices of the Women's Club of that town.

Rosary and Benediction of the Blessed Sacrament in the evening, at 7:30 o'clock.

First Dance at Boyes

Next Wednesday evening the Boyes Springs Theatre will be opened with a benefit dance and high class entertainment. The dance is for the benefit of Boyes Springs Ball Club.

As a special feature the committee has engaged Prof. Reese, the Handcuff King, who will give an interesting exhibition. He is to be assisted by Madame Fritz in her mind reading with cards. At the conclusion of this entertainment the dancers will take possession of the floor and will be assisted by excellent music.
